

Infused carbon fiber construction, raked windshield, all new blended wingtips, new style streamlined cowling, and many more upgrades and safety features...

G2 AND G3 PRICING RELEASED

The pricing has been finalised for the new **G2** and **G3** kit aircraft. We have decided to offer an introductory price for these aircraft for a limited time only.

G2 complete kit cost \$93,995 USD

Individual costs	G2 Kit #1 (fuselage) \$26,500
	G2 kit #2 (wing) \$27,150
	G2 kit #3 (Landing Gear) \$22,645
	G2 kit #4 (Final Assembly) \$22,700

G3 complete kit cost \$96,995 USD

Individual costs	G3 Kit #1 (fuselage) \$27,450
	G3 kit #2 (wing) \$28,200
	G3 kit #3 (Landing Gear) \$22,645
	G3 kit #4 (Final Assembly) \$23,700

Specifications of the aircraft are being finalised, once they are released, we will be accepting orders for these aircraft. To place an order and reserve your spot a 20% refundable deposit is required.

The first kits are already in production.

Our Advanced Aero Components online store is now operational and open for business. I would personally like to thank everyone for their patience and your support.
